1 my question was: [Will there be a transfer of material
2 within -- in this Lincoln County was planned a transfer here in
3 Caliente, which to me does not make sense at all, but I'm not
4 really an expert on it, but it -- any place else, you've got it
5 on rail cars and they can switch cars or -- without handling

6 the waste is what I'm concerned about, and also [I think the
7 reputation of the County, as Bob just spoke is -- would be
8 something to be considered.

9 If they know that we're having a lot of waste
10 here in Lincoln County, people -- they're going to say, "Well,
11 that's where they have all that nuclear waste" and they don't
12 want to come here, and businesses, you know, it needs to be
13 promoted.]

14 We don't -- would not like to come where they
15 have that kind of a -- a risk, and I'd also like to say that I
16 agree wholeheartedly with Louis Benezette.

17 Thank you.

18 MR. LAWSON: Thank you, sir.
